American Community Survey counts of population 5-21, and ability to speak English

Note: These tabulations are from special tabulations of the American Community Survey (ACS) data prepared for the U.S. Department of Education's Budget Office by the U.S. Census Bureau for the purpose of making State allocations under ESEA, Title III. The U.S. count does not include Puerto Rico, and the sum of State counts may not match the U.S. count due to independent cell rounding.
