Background Information

Purpose: To award grants to eligible entities to develop and enhance capacity to provide effective instruction and support to Native American students, including Native Hawaiian and Native American Pacific Islander, who are identified as English learners (ELs).

Goal: To support the teaching, learning, and studying of Native American languages while also increasing the English language proficiency of students served to meet challenging State academic content and achievement standards.

Defining *Native American Language*: The historical, traditional languages spoken by Native Americans, consistent with section 103 of the Native American Languages Act (25 U.S.C. 2902).

Types of Projects: Teacher training, curriculum development, and evaluation and assessment to support the core program of student instruction and parent-community participation. Student instruction may comprise preschool, elementary, secondary, and postsecondary levels or combinations of these levels.
