**3. Highlights of Discussion/Recommendations/Next Action Steps**

HSPE should not be a requirement of graduation for ELL students.

If ELL students can not pass the WLPT test why should they take HSPE?

Teachers should help ELL students pass the HSPE by giving them examples of the text and practice on it.

ELL students need more help when they are doing the HSPE test.

Districts should offere each school a practice test for ELL students.

Teachers have to teach ELL sctudents how to use OSPI webside, so they can get practice in that pae with the HSPE test.
